Proje Highlight

Through this collaboration, we bring together the unique architecture, elegant details, and premium luxury accommodation experience of **Royal Saray Resort Bahrain** with the international influence of Turkish actors who have a strong fan base in the Gulf and Middle East markets. We aim to position your brand's distinguished service quality on digital platforms in the most prestigious way through inspiring and engagement-focused content.

- **Celebrity Posts:** The actors participating in the collaboration will share content on their personal social media accounts, focusing on authentic, sincere, and personal experiences. They will highlight the hotel's exclusive services, gastronomic offerings, spa & wellness facilities, and breathtaking views, all from their unique perspectives.
- **Production-Based Viral Content:** Simultaneously, our agency will create and launch high-impact, attention-grabbing video concepts designed to generate significant engagement on social media (you can access the content by [clicking the link](#)). These production-driven pieces will combine the essence of the hotel with entertaining moments and captivating storytelling, inspiring viewers and leaving a lasting impression.

Our Expectations of Collaboration;

Our Expectations of Collaboration;

This collaboration will place your hotel at the heart of the story we create. Hosting our celebrities in a comfortable, culturally rich environment will directly enhance our content's quality. The design and atmosphere of your hotel will complement our production, and providing access to key areas and essential support will expedite our workflow. Our goal is to boost your brand visibility and deepen cultural engagement through mutual understanding.

What We Will Provide;

- **Airline Transportation:** The airline transportation will be fully managed by our agency.
- **Social Media Posts:** The invited actors will share 5 Instagram Stories and 1 Post on their IG accounts. These posts are guaranteed by our agency, and will include the hotel location, social media handles, and relevant hashtags to ensure maximum visibility.
- **Press Coverage:** After each invitation, a detailed press release will be issued, highlighting the hotel's name, facilities, and the activities carried out with the actors. This press release will be distributed through a wide range of digital news outlets. We guarantee publication on at least 50 prominent news websites, including but not limited to: **Hurriyet.com.tr, Sabah.com.tr, Cumhuriyet.com.tr, DHA.com.tr, and Haberler.com**
- **Social Media Engagement Reports:** We will provide you with detailed social media engagement reports through **META**, ensuring full transparency and measurable impact.
- **Media Coverage Value Reports:** Media coverage will be assessed and reported to you with equivalent advertising value, ensuring a clear understanding of the campaign's reach and effectiveness.
